November 2009

From the editor.....

Hot off the press....in an article in the *Press Democrat* on November 4, Director Sandy Cooper announced that all 13 branches of the Sonoma County Library are scheduled for a 10-day shutdown over the year-end holidays to help achieve a \$1.7 million budget cut. This includes our own **Sonoma Valley Library** which will be closed from 2 pm December 24th until January 4, 2010. The library's website and all online services will be unavailable as well.

With all this gloomy news about California's state of the economy and the cuts in programs and services, our own **Friends** have stepped up to the plate and bridged the gap in many ways by funding programs, adding funds for collections when the budget runs out, funding subscriptions to high ticket newspapers, magazines and periodicals, and underwriting special programs at our Library. Many of you who regularly patronize the library will not notice the cuts in services and programs that other branches are imposing because our wonderful **Friends** have helped keep these services in place. They are able to do this because of **you, our Friends**, who come to the quarterly book sales and buy books. Other than membership fees and some donations, this is the main source of monies raised. Come to our next book sale and buy your holiday gifts. You'll be treating the environment with respect by purchasing a "gently used and lovingly read" (hopefully) book or CD or DVD.

**WE LOVE YOU..... OUR FRIENDS
OF SONOMA VALLEY LIBRARY.**

Best, always ...

The Bookmobile Project

Here is something really cool to check out. Back in July of this year, Glen Weaver and his family embarked on a community service project of traveling to rural areas of Sonoma County with a trailer outfitted as a bookmobile, and giving away free books to children, adults, and seniors. Glen contacted Dave Dobbins of the Friends and we donated a number of unsold books from our book sales. This project has taken off and Glen now has a website which you should check out. Glen's project is an inspiration to all, and we will assist him by donating unsold books again. The website is: <http://sonomacountybookmobile.org>

Book Sale Code of Conduct

Welcome, and thanks for coming. We ask everyone to follow these standards of behavior:

1. Act in a respectful manner. That means no pushing, no monopolizing one area of books, no foul language, no unsafe or disruptive behavior, among other things.
2. No book hoarding. Look at one book at a time. Put it in your bag to buy or back in its box. No piles to check later. Volunteers will return to stock such items.
3. Scanners are allowed but only in accordance with the above rules.
4. Anyone displaying behavior deemed contrary to the above* will be asked to leave.
